1. It should be noted that e-health action in emergencies, Volume I and Volume II health measures in emergency situations, the thirty-first and thirty-third session of the Supreme Council for Planning of Medical Sciences, Ministry of Health and Medical Education Letter No. 43019 / 142 dated 05.23.1386 and 73010 / a dated 02.03.1386 has been approved as an educational resource.
2. Book Volume I and Volume II of the health measures in emergency situations martyr Motahari first festival to a number 1316/66/5 dated 29/04/1387

Table 4. Proposals

Row	Proposals	Cooperation
1	Evaluation of Klrsnjy and chlorination of water facilities in urban and rural province in 1380	Executive
2	Evaluation of qualitative characteristics of waste water in the dairy industry and Caning in order to enhance food safety control model 1384	Health Status of schools in Tabriz 1384 (main partner)
3	Evaluation of environmental health experts regarding natural disasters in 1384 (main partner)	Health Status of schools in Tabriz 1384 (main partner)
4	Evaluation of environmental health experts regarding natural disasters in 1384 (main partner)...	Health Status of schools in Tabriz 1384 (main partner)
5	Check pool water quality in terms of residual chlorine and pH in 1385 in Tabriz	Health Status of schools in Tabriz 1384 (main partner)
6	Check the status of the current management of waste due to the possible presence of heavy metals in Tabriz cutting factories in order to provide appropriate and practical solutions to reduce adverse environmental impacts, 1384	Health Status of schools in Tabriz 1384 (main partner)
7	Health status kitchens University of Medical Sciences in 1387	Health Status of schools in Tabriz 1384 (main partner)
8	Check the quality and quantity of waste produced in the campus of Medical Sciences	Health Status of schools in Tabriz 1384 (main partner)
9	Review and compare health information managers and experts involved in disaster organizations in the city Shabestar 1388	Health Status of schools in Tabriz 1384 (main partner)
10	Search and identify the process of solid waste and the development of appropriate software for the establishment of waste management in East Azerbaijan Province Gas Company	Health Status of schools in Tabriz 1384 (main partner)
11	Check the concentration of heavy metals in compost produced from municipal solid waste and providing practical solutions to reduce the concentration of Tabriz	Health Status of schools in Tabriz 1384 (main partner)

Table 4 of Thesis Supervision

Row	Proposals	Cooperation
1	Check arsenic removal from aqueous solutions by zero-valent iron nanoparticles stabilized with starch	Mohammad mosaferiT Ahmad asl Hashemi
2	On-site and off-site system performance comparison gut and safe storage of medical waste in Iran and offer strategies for its promotion	tagipour Ahmad asl Hashemi
3	Qualitative change of water resources and therefore Maragheh region and the health effects that may result from water infiltration Kaveh Soda Plant	Reza dehganwadw Ahmad asl Hashemi
4÷	Modeling player gaseous pollutants in Tabriz	Shaker khatibi Ahmad asl Hashemi
°	Determination of the concentration of heavy metals in drinking water in residential areas of East of Lake Urmia and its compliance with national standards	Ahmad asl Hashemi
٦	Evaluating the Effect of Ozone-Clar and Clar Disinfection Processes on the Microbiological and Physiochemical Quality of Swimming Pool Water	Ahmad Hashemi, Hasan Aslani, Parisa Firoozi

Table 6. Company and presentation in the seminar and in various fields

Row	Article Title	Location	Author
1	Use mathematical formulas to produce biogas	Sixth National Congress on Environmental Health, Surrey	Ahmad asl Hashemi, Mohammad Nasiri
2	Water and Disasters	Second International Conference on scientific research and rescue, Tehran	Ahmad asl Hashemi, Parvin Pour Abdullahi
3	Modes of supply, treatment and distribution of drinking water and monitoring the quality of emergency	Second International Conference on scientific research and rescue, Tehran	Ahmad asl Hashemi, Parvin Pour Abdullahi
4	Students study health and nutrition awareness on natural disasters	Second International Conference on scientific research and rescue, Tehran	Ahmad asl Hashemi,
5	Health food disaster	Second International Conference on scientific research and rescue, Tehran	Ahmad asl Hashemi, Parvin Pour Abdullahi
6	Check waste leather industry	The second scientific conference of students, Yasouj	S. Mahmoudi, Ahmad asl Hashemi
