

Seyed Shamseddin Alizadeh

Assistant Professor

*Department of Occupational Health Engineering,
Tabriz University of Medical Sciences, IRAN*

CONTACT INFORMATION

Department of Occupational Health

Engineering, Faculty of Health, Tabriz

Email: Alizadehsh@tbzmed.ac.ir

University of Medical Sciences, Tabriz,
Iran

SHORT BIO

Seyed Shamseddin Alizadeh is currently an **Assistant Professor** in Department of Occupational Health Engineering, Tabriz Medical University. His current research interest includes Risk Assessment, Accident Analysis, HSE-MS, and ISO45001:2018.

RESEARCH INTEREST

Risk Assessment, Accident Analysis, Management Systems

EDUCATION

Ph.D. in Occupational Health Engineering, 2009-2014

Department of Occupational Health, Tarbiat Modares University, Tehran, IRAN

Dissertation Title: Modeling of Risk Assessment Using Accident Data Mining

M.Sc. in Occupational Health Engineering, 2002-2005

Department of Occupational Health, Tehran University of Medical Science, Tehran, Iran.

Thesis Title: Workplace Improvement using Integrated Management System (IMS)

B.Sc. in Occupational Health Engineering, 1998-2002

Department of Occupational Health, Tehran University of Medical Science, Tehran, Iran.

PROFESSIONAL EXPERIENCE

Associate Professor, 2008-present

Tabriz Medical University,

HSE-MS Design and Implementation Advisor, 2013

Tabriz Gas Co.

HSE-MS Design and Implementation Project Manager, 2012- 2013

3 Regions of Tehran Municipality (17, 18, 19 region)

Coordinator of Supervision on HSE Requirement Plan, 2012

Oil Engineering and Development Company Projects (13 projects)

HSE-MS Design and Implementation Project Manager, 2012

6 Contractor Companies of Tehran Refinery

HSE-MS Design and Implementation Project Supervisor, 2012
5 Region of Tehran Municipality (10, 11, 13, 15, 22 region)

HSE-MS Design and Implementation Project Advisor, 2010-2012
Tehran Municipality

HSE-MS Design and Implementation Project Manager, 2010-2011
Iran National Oil Terminal Company

Senior Expert of Industrial Health, 2003-2009
HSE Office of Iran Ministry of Petroleum

HSE-MS Design and Implementation Project Manager, 2007
Pars Geo Data (Iranian-Germany Company)

Risk Assessment Using JSA Project Manager, 2006
Azarbajejan-e-Sharghi Gas Company

HSE-MS Auditor, 2004-2009
Iran Ministry of Petroleum

Industrial Health Committee Secretary, 2004-2007
Iran Ministry of Petroleum

Executive Assistant, 2004-2006
"Rahbord-e-HSE Magazine of Iran Ministry of Petroleum"

Teaching Management System Courses, 2004- present

- ✓ HSE-MS
- ✓ OHSAS18001, ISO45001:2018
- ✓ Risk Management
- ✓ Accident investigation & Analysis

**Accomplished
Projects**

- ✓ *Design and Implementation of HSE-MS in 6 Contractor Companies of Tehran Refinery, 2012*
- ✓ *Design and Implementation of HSE-MS in IOT Company, 2010- 2011*
- ✓ *Design and Implementation of HSE-MS in PGD Company, 2007*

Honors

- ✓ Ranked First in the National Universities' Entrance Exam for Ph.D. degree, Fall 2009
- ✓ Ranked 2nd among more than 1,000 participants in the National Universities' Entrance Exam for M.Sc. degree, Fall 2002

Books:

Publications

1. *Monitoring of Health Hazards at Work, S.B.Mortazavi, S.SH.Alizadeh, 2013.*
2. *Integrated Management System (IMS), S.SH.Alizadeh, L.Ganjali, M.Zaree, 2013.*
3. *Civil Contractor HSE, S.SH.Alizadeh, R.Arabameri, F.Sabzalipour, 2013.*

18. The Impact of Insurance on the Reduction or Increasing of Occupational Accidents: A Review. S Abbasi, P Khourdustan, **SS Alizadeh**, MME Tehrani, S Jalilpour. *International Journal of Occupational Hygiene* 12 (1), 86-94. 2020.
19. A comprehensive review on risk factors affecting the crash severity. M Safari, **SS Alizadeh**, HS Bazargani, A Aliashrafi, A Maleki, *Iranian journal of health, safety and environment* 6 (4), 1366-1376. 2020.
20. Prioritizing the thirteenth dimensions of Organizational Resilience in dealing with crises and major accidents. D Mahmoudi, **SS Alizadeh**, Y Rasoulzadeh, MA Jafarabadi
-

21. *BP Texas Refinery Incident Causes: A Literature Review*. **SS Alizadeh** ,Soheil Abbasi, Payam Khourdustan, Rasoul Sayyadi, Saeid Jalilpour. *International Journal of Occupational Hygiene (IJOH)* 12 (3), 256-271. 2020.
22. *Analyzing the Hazardous Chemical Accident in Iran: A statistical Investigation* NG Fatemeh Sadeghi Gelvardi, Behnoush Khoshmanesh, Farin Fatemi, **SS Alizadeh**. *International Journal of Occupational Hygiene* 12 (2), 140-153. 2020.
23. *Evaluation of safety performance indicators for construction projects: A review study*. H Sabouri, **SS Alizadeh**, M Mosaferi, A Safaiyan. *Iran Occupational Health*. 2020.
24. *Dimensions analysis of the Hospital Survey on Patient Safety Culture questionnaire in Iran: Psychometric properties*. E Rahimi, **SS Alizadeh**, AR Safaeian, N Abbasgholizadeh. *The International Journal of Health Planning and Management*. 2020.
25. *The priority setting of factors affecting a crash severity using the Analytic Network Process*. M Safari, **SS Alizadeh**, HS Bazargani, A Aliashrafi, M Shakerkhatibi, *Journal of injury and violence research* 12 (1), 11. 2020.
26. *Studying the Driving Safety Culture in Taxi Drivers in Tabriz City, Iran*. RA Geshlagi, P Moshashaehi, **SS Alizadeh**, PS Damanab, MME Tehrani. *International Journal of Occupational Hygiene* 11 (3), 212-219. 2019.
27. *The relationship between organizational safety culture and unsafe behaviors, and accidents among public transport bus drivers using structural equation modeling*. H Mokarami, **SS Alizadeh**, TR Pordanjani, S Varmazyar. *Transportation research part F: traffic psychology and behaviour* 65, 46-55. 2019.
28. *Fatigue Assessment Scales: A comprehensive literature review*. AS Sahar Rahimian Aghdam, **Seyed Shamseddin Alizadeh**, Yahya Rasoulzadeh. *Archives of Hygiene Sciences* 8 (3). 2019.
29. *The validity and reliability of organizational resilience questionnaire (ORQ) in dealing with major accidents*. D Mahmoudi, **SS Alizadeh**, Y Rasoulzadeh, JM Asghari. *Journal of Health and Safety at Work* 8 (400179), 2019. 383-396.
30. *Prioritizing the Causes of Fire and Explosion in the External Floating Roof Tanks*. P Moshashaehi, **SS Alizadeh**, MA Jafarabadi, L Khazini. *Journal of Failure Analysis and Prevention* 18 (6),2018. 1587-1600.
31. *How to write a proper HSE management system policy?* **SS Alizadeh** . Soheil Abbasi, Payam Khourdustan, Rasoul Sayyadi, Siavash Vahabzadeh. *Scientific Journal of Pure and Applied Sciences* 7 (5), 774-780.2018.
32. *Predicting maximum oxygen consumption based on anthropometric dimensions in medical emergency students*. Chia Hakimi Payam Heydari , Sakineh Varmazyar, Mojtaba Jafarvand, **SS Alizadeh**. *Iran Occupational Health Journal* 14 (6), 126-134.

2018.

33. A survey on the status of engineering ethics in Iranian engineering education: A systematic review. *FMO Reyhan*, **S Alizadeh**. *Majallah-i Amuzih-i Muhandisi-i Iran* 19 (76), 79. 2018.

34. Safety and health work-instruction in mechanics provided using job safety analysis technique, *PM*, **Alizadeh**. *YR*, Valizadeh S. *Scientific Journal of Pure and Applied Sciences* (2015) 4(2) 44-48.

35. Health, safety and environment (HSE) management: a valuable tool for sustainable development and increasing productivity, **S Alizadeh**. *HSE* 1(1) (2015) 1–2.

36. Estimate of economic costs of accidents at work in Iran: A case study of occupational accidents in 2012, *SA Roshan*, **SS Alizadeh**. *Iran Occupational Health*, Vol. 12, No. 1, Apr-May 2015.

37. Failure Modes and Effects Analysis (FMEA) Technique: A Literature Review, **SS Alizadeh**, *Y Rasoulzadeh*, *P Moshashaie*, *S Varmazyar*. *scientific Journal of Review*, 2015.

38. Assessment of accidents severity in the construction industry using Bayesian theorem, **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *The International Journal of Occupational Safety and Ergonomics*, 2015.

39. Analysis of Occupational Accident Fatalities and Injuries in IRAN Between 2008 - 2012 in Male Group, **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *Iranian Red Crescent Medical Journal*, 2015.

40. Prediction of vehicle traffic accidents using Bayesian networks, **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *Scientific journal of pure and applied sciences*, 2014.

41. Building a Model Using Bayesian Network for Assessment of Posterior Probabilities of Falling From Height at Workplaces, **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *Health Promotion Perspective*, 2014.

42. Analysis of Iranian construction sector occupational accidents (2007-2011), **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *cientific Journal of Review*, 2013.

43. Anthropogenic factors and spatio-temporal conditions affecting occupational accidents in fishery sector, Iran (2007-2011), **SS Alizadeh**, *SB Mortazavi*, *M Mehdi Sepehri*. *Iranian Scientific Fisheries Journal*, 2013.

44. Identification and Assessment of Hazards in a Manufacturing Company using JSA, *N Parvin*, **SS Alizadeh**, *G Farideh*, *S Shahtaheri*. *Journal of Environmental Science and Technology*, 2006.

45. The Role of HSE-MS in Organization HSE Performance Improvement and Sustainable Development, *AA Farshad*, *Y Khosravi*, **SS Alizadeh**. *Iran Occupational Health Journal*, 2006.

Presentations:

1. Manual material handling risk factors assessment with MAC TOOL, 1st biennial Iranian conference on ergonomics, Hamadan, 2014.

-
2. *Analysis of traffic accidents and determine the high risk points of IRAN roads using Bayesian networks*, 3rd National Conference of Road Safety and Traffic, Tehran, 2012.
 3. *Management Of Change (MOC) and its Role In HSE-MS*, 7TH Occupational Safety and Health Congress, Imam Khomeini University, Qazvin, Iran, 2011.
 4. *Accident Direct and Indirect Costs*, 3th Health Management Congress, Tehran, 2009.
 5. *The Role of IMS in Asset Integrity*, , 3th Health Management Congress, Tehran, 2009.
 6. *Fire Predicting and Controlling in Buildings using Fire Load Estimate Model*, HSE-MS 1ST International Congress, Isfahan, Iran, 2008.
 7. *Hazard Identification and Assessment during Services or Product Life Cycle using HAZID Technique*, HSE-MS 1ST International Congress, Isfahan, Iran, 2008.
 8. *Hazard Identification and Assessment during Services or Product Life Cycle using HAZID Technique*, Iran Petrochemical 1ST Congress, Tehran, Iran, 2008.
 9. *Organizations Life Cycle and Its Application in HSE Strategic Management*, Iran Petrochemical 1ST Congress, Tehran, Iran, 2008.
 10. *Management Of Change*, 2nd Ministry of Petroleum HSE Conference, Bandarabbas, Iran, 2008.
 11. *Nanotechnology Hazards on HSE in Industries*, National Congress of Modern Technologies in Environment Sciences, Azad University, North Tehran University, Tehran, Iran, 2007.
 12. *HSE-MS and Sustainable Development*, 2nd Congress of Mining Engineering, AmirCahir University, Tehran, Iran, 2007.
 13. *Estimating of Accident Direct and Indirect Costs*, 3th Technical Inspection and 1st HSE Congress, Sanat Naft University, Abadan, Iran, 2006.
 14. *Analysis of HSEQ Role in Productivity*, 1st Industrial Engineering, Masjed Soleiman, Iran, 2006.
 15. *Culture Role in Achievement to HSE-MS Objectives*, HSE-MS Seminar and Its Importance in Sustainable Development, Tehran, Iran, 2006.
 16. *Emergency Response Plan*, 1st congress of Petrochemical and Oil Industries Medical Emergencies, Masjed Soleiman, Iran, 2006.
 17. *Management Of Change as a Most Important Element of HSE-MS*, 2nd Congress of Port Safety Management, Tehran, Iran, 2005.
 18. *Fire Control using Sprinklers System*, 1st Special Congress of Building Protection Against Fire, Tehran, Iran, 2003.
 19. *WHMIS*, Chemical Safety Management Seminar, Saveh, Iran, 2003.
 20. *Chemical Accident Response, Barriers and Recomendations*, Chemical Safety Management Seminar, Saveh, Iran, 2003.
 21. *Comparing Unusual Work TLV Corrective Models*, Occupational Health Congress,
